SHARE THE SILVER ANNIVERSARY

NATIONAL 4 - H CLUB CAMP

June 15 to 22, 1955

Special Programs to Honor Former Camp Delegates

on Monday - June 20

**LOCATION** Meetings will be held in the Departmental Auditorium on Constitution Avenue, between 12th and 14th Streets, N. W., Washington, D. C. This is where you will register.

**PROGRAM** You will recall that National 4-H Club Camp combines many opportunities to help delegates better understand national problems and citizenship responsibilities--tours, discussions, sharing ideas are all part of the busy schedule. Theme of the 1955 Camp is "Your Government, 4-H, and You."

On Monday, June 20, former campers will be special guests at assembly programs. You will have a chance to look back on your own experiences in Washington, as well as to share with 1955 delegates what National Camp has meant to you through the years. A special dramatic presentation will highlight the evening program.

**YOUR ARRANGE-MENTS** We regret that we cannot offer to pay expenses or to make your advance arrangements, but we can certainly make up for these lacks in a warm welcome and a fine program. On request, the Federal Extension Service, U. S. Department of Agriculture, Washington 25, D. C., will see that information is sent to you about rates of the many fine hotels and other accommodations in the Washington area to help you make your reservations.

Some of you may want to include June 20 in your plans for a business trip or a family vacation. All will be welcome.

**HELP US COMPLETE PLANS** The National 4-H Club Camp staff will need to know how many former Campers expect to return for the Silver Anniversary. It would be very helpful if you would advise your State Extension Service by May 15 if you think it is possible that you can attend. Further details about Camp plans can then be sent to you.
